

Senate Resolution No. 19

Introduced by Senator Yee

Relative to California Radiologic Technology Week

WHEREAS, Radiologic technologists play an integral part of the health care system by operating the diagnostic x-ray equipment that produces x-ray images and assisting radiologists and other physicians to achieve efficacious diagnosis; and

WHEREAS, Diagnostic medical imaging and radiation therapy performed by radiologic technologists save lives, yet few people are aware of what these professionals do; and

WHEREAS, The diagnostic medical imaging community is like minded in caring deeply for those who require medical attention; and

WHEREAS, There are 300,000 imaging technologists nationwide and 20,000 imaging technologists in California who are dedicated to being patient advocates; and

WHEREAS, The California Society of Radiologic Technologists (CSRT), established in 1938 as the California Society of X-Ray Technicians, is a professional organization that represents radiologic technologists in the State of California; and

WHEREAS, Throughout the country, organizations such as CSRT will recognize those individuals who use diagnostic and therapeutic radiologic technology on a daily basis to care for patients by celebrating National Radiologic Technology Week from November 3, to November 9, 2013; and

WHEREAS, CSRT will be hosting radiologic technologists and imaging specialists from across the State of California at the CSRT Annual Conference, entitled “Medical Imaging: From Acquisition to Innovation,” on November 9, 2013; now, therefore, be it

Resolved by the Senate of the State of California, That the Senate hereby recognizes the week of November 3, to November 9, 2013, as California Radiologic Technology Week and acknowledges the California Society of Radiologic Technologists commitment to patient care and radiologic safety; and be it further

Resolved, That the Secretary of the Senate transmit copies of this resolution to the author for appropriate distribution.

Senate Resolution No. 19 read and adopted by the Senate September 6, 2013.
